# ARMOURBITE®

Dear Parents and Athletes,

As the premier baseball teaching organization in Ontario, Pro Teach Baseball take's pride in providing its members with the best instruction and products in the country. It is with great excitement that Jaw Armour Inc., the largest supplier of Under Armour Performance Mouthwear globally to amateur and professional athletes, announces its association with Pro Teach Baseball.

Attached is a brochure providing information about the benefits of Under Armour Performance Mouthwear powered by Armourbite Technology. Testing has shown substantial performance gains including, but not limited to, the following:

- **Increased Strength.** It has been proven to increase strength by an average of 17%.
- **Increased Endurance.** It enlarges airway openings resulting in 25% less lactic acid build-up after 30 minutes of intense exercise.
- **Speeds Up Reaction Time.** Clinical trials show an improvement in responding to auditory cues and visual cues.
- **Reduces Athletic Stress.** Excess cortisol causes stress, fatigue and distraction. UA Performance Mouthwear decreases cortisol production which means you feel and play better!
